8 WHAT IS YOUR MAIN MOTIVATION TO JOIN UITP?

.....

.....

9 UITP MEMBER COMMITMENT

UITP promotes the idea that public transport and shared mobility should play a major role in any urban and non-urban mobility policy. In an increasingly urbanised world, inclusive green growth depends on efficient urban and non-urban mobility and adequate public transport infrastructure and services. If current mobility habits prevail – marked by the dominance of private motorised modes – urban congestion will gridlock cities, rapidly increasing greenhouse gas emissions and energy consumption. Increasing road space to accommodate greater car usage is not an option in many cities. Optimising the efficient use of existing road space is therefore a key principle to appraise the requirements of competing user groups. The integration of a mobility stakeholder into UITP is defined by its complementarity, support and synergy with other sustainable urban transport modes and in particular public transport. It should have a business model that is oriented towards sustainable mobility and help contain the number of vehicles in our cities.

By joining UITP, members automatically adhere to this commitment.

10 MEMBERSHIP RENEWAL & SERVICES POLICY

Each year, UITP will ask you to fill in a form and provide your operating cost/turnover/population/drivers (according to your membership category) audited figures of the penultimate year. The information you will provide will remain strictly confidential. It will not be shared or made available to other members. The information you will provide will only be used to calculate the fee for next year, in accordance with the membership fee scale approved by the General Assembly. Should you fail to provide us with these figures, UITP reserves the right to make a reasonable estimate.

The level of the yearly membership fee qualifies the member organization to a specific service package.

A full description of the packages and relative benefits is available on www.uitp.org/service-packages

In case of resignation, please note that a written communication addressed to the Secretary General must be sent within 30 days of the issue date of the membership invoice.

Please note that membership is automatically renewed each calendar year. Services may be temporarily suspended if the terms and conditions indicated on the membership invoice are not respected. Such suspension does not release from the fee payment obligation.
