

## EXCLUSIVE PRESS INVITE

Be at the Heart of Innovation:

Register Now for the UITP Summit in Hamburg for a Full Press Agenda

**Brussels, 29 April 2025**

**The UITP Summit is heading to Hamburg, and a press agenda awaits all media.**

The world's largest event dedicated to sustainable urban mobility is almost here (15-18 June, 2025) and journalists are invited to experience it firsthand.

It's the place where global leaders, innovators, and decision-makers come together to shape the future of public transport.

### **Register to join in a few simple steps**

***\*No need to enter a discount code to gain free attendance, this link is exclusive for the media***

This year, the Summit will offer exclusive opportunities for accredited media, including:

#### **Access to Major Product Launches and Innovations**

A firsthand look at new products and technologies shaping the transport sector.

#### **Interview Opportunities with Global Mobility Leaders**

Interview the leading names and faces from across the globe.

### **Innovative City Tours**

Specially created press tours around Hamburg to see public transport projects in action.

### **Exchange and Network**

Meet and connect with the biggest names in urban mobility across four days.

### **Debates and Announcements**

Cover high-profile sessions featuring international speakers setting the global agenda.

**Your pass includes:** Accredited journalists will receive a free Summit pass, full access to the Exhibition, Congress, press conferences, media facilities on-site, select networking events, public transport passes and on-site lunches and coffee breaks. As well as several dedicated working spaces exclusively for the media.

With nearly 140 years of history, UITP stands as a passionate champion of sustainable urban mobility, bringing together all public transport stakeholders and modes.

The UITP Summit is the definitive event for the sector, welcoming over 10,000 professionals from more than 110 countries.

Hamburg is a city committed to sustainable and smart transport solutions. The city's efficient public transport system, comprising suburban railways, metro lines, bus routes, and ferry lines, exemplifies a modern urban mobility network.

Attendees will have the opportunity to explore Hamburg's unique mobility offerings during the Summit and will be welcomed to [a city focused on the future of movement.](#)

Will you be part of the conversation when Hamburg becomes the public transport capital of the world for the UITP Summit in June?
